## ***SHEEP*** ***SHOW FEED*** ***PRODUCT*** ***GUIDE***

## **TOP CHOICE LAMB 19%**

**19.0% Protein, 2.5% Fat, 12.0% Fiber**

Top Choice Lamb 19% is our top selling lamb feed. This ration is ideally formulated for growing sheep. The protein and energy combination help develop the muscle mass and shape needed to win at the highest level. This feeder friendly ration can be fed from start to finish if desired.

## **TOP CHOICE LAMB 17% WITH BARLEY**

**17.0% Protein, 3.0% Fat, 10.0% Fiber**

Top Choice Lamb 17% with Barley is the most fool proof finishing ration in our toolbox. This ration is formulated to put a smooth, firm cover on your lamb. Lamb 17% should be used when a little more cover is desired. This is also a great hot weather feed that is extremely palatable.

## **TOP CHOICE LAMB 16% HI-ENERGY**

**16.0% Protein, 5.0% Fat, 5.0% Fiber**

Top Choice Lamb 16% Hi-Energy is a unique complete feed designed to deliver extra energy when it is required. This proven ration works great in programs that use heavy exercise or in situations when added cover is desired.

## **LAMB 19% CREEP**

**19.0% Protein, 3.0% Fat, 8.0% Fiber**

Top Choice Lamb 19% Creep is made with cracked corn and formulated for young lambs. The smaller particle size of corn make this ration more uniform and helps with sorting. The smaller particle size reduces the instances of choking associated with the larger flakes of corn. Medicated for the prevention of coccidiosis caused by *Eimeria ovina*, *Eimeria ovinoldalis* (*Eimeria ninakohlyakimovae*), *Eimeria parva* and *Eimeria intricata* in sheep maintained in confinement.

## **TOP CHOICE EWE 12%**

**12.0% Protein, 3.0% Fat, 6.0% Fiber**

Top Choice Ewe 12% is an all natural 12% protein, high energy ration that fits the needs of the growing and developing ewes. This energy level will not over condition your ewes and will provide enough energy for proper skeletal development and growth. This is also an excellent flushing ration.

## **LOADED**

**12.0% Protein, 17.0% Fat, 5.0% Fiber**

Loaded is unique texturized top dress that is hi in fat and Omega 3 fatty acids. This highly palatable product delivers an extra punch of energy while increasing skin and wool health. Feed at a rate of ¼-1# per head per day to achieve desired cover.
