

UMBARGER SHOW FEEDS

cattle management tips

Feed up to 2.5% to 3.5% of their body weight per day.

Feed Umbarger Show Feeds as sole grain ration.

Free choice mineral and clean, fresh water should be made available to show cattle at all times.

Provide quality grass hay.

When changing from one feed to another, always mix feeds over a period of one week.

Weigh animal regularly and chart weight gain.

Worm animal periodically.

THE UMBARGER

advantage

- ✓ Increased feed efficiency
- ✓ Improved palatability
- ✓ Increased digestibility

BREEDER/GROWER

12.0% Protein, 3.0% Fat, 10.0% Fiber

Breeder/Grower is the most versatile feed in our beef line-up. This 12% oat based feed is universally used as the go-to grower for both steers and heifers. Breeder/Grower can also be fed from start to finish on easier fleshing steers and heifers. The go-to product for many of our most loyal customers!!

CATTLE BLASTER

12.0% Protein, 3.0% Fat, 7.0% Fiber

Cattle Blaster has stood the test of time here at Umbarger Show Feeds. This hi energy, corn based ration will grow and get cattle fat. Extremely palatable and easy to feed. Remains one of our most popular selling products and proven to produce champions at all levels of competition.

LIGHT 'EM UP

12.0% Protein, 4.75% Fat, 12.0% Fiber

Light 'Em UP is a high fat, high fiber ration that is also rich in Omega 3 fatty acids. Light 'Em UP is designed to add bloom and finish while maintaining a full look. The higher fat inclusion is also better suited for the warmer months to help maintain finish without sacrificing a shiny hair coat.

BARLEY BASE

11.5% Protein, 3.0% Fat, 9.0% Fiber

Barley Base is the best finishing feed on the market. Ideally suited for the last 60-90 days on feed when the weather gets warmer. Barley Base will smooth out and firm up the finish on your show cattle for both the ring and rail. Barley Base is extremely palatable and can be used when consumption problems arise. Proven to hang banners on the highest level of competition!

PAYLOAD

12.0% Protein, 3.0% Fat, 14.0% Fiber

Payload is designed to deliver unique ingredients that will give your animal the extra body and dimension needed to succeed in today's show ring. It's unique fiber profile, including SPELT, has proven to be extremely palatable and will maximize rib shape, depth of flank and total body capacity. #1 selling big heifer feed in our line-up!

SHOW READY

11.0% Protein, 3.0% Fat, 14.0% Fiber

Show Ready is a high fiber, low energy feed used to fill and grow show cattle. This product can be used to hold a calf, feed easy fleshing females or can be used to put a fresh natural fill in cattle on show day.

PRIMER PLUS 13%

13.0% Protein, 2.3% Fat, 14.0% Fiber

Primer Plus is the first choice when starting young calves on feed. Designed as a creep feed/sale ration that will give cattle and full and capacious look without getting them fat too early. Primer Plus has increased levels of vitamins, minerals, and Amaferm® to help start cattle and keep them healthy as they transition to a grain based diet. Medicated with 60 grams/ton of Bovatec®.

DAIRY BEEF'EM UP

12.0% Protein, 3.0% Fat, 6.0% Fiber

Dairy Beef'em Up – Highest corn and calorie content of any feed in our line-up. Designed to pack on the pounds and fat. Proven to be a banner hanging product in the dairy ring for both feeder calves and fat steers!

APEX

A pelleted top dress product designed to provide a full and fresh look to your show animals. An extremely expansive product that works great leading up to a show or in limited feed situations. Can be fed daily when working to build extra body shape. A product that continues to be a valuable tool for many of our feeders.

COBBOOM

6.0% Protein, 1.0% Fat, 23.0% Fiber

Unique corn cobb based TOP DRESS designed to add fill and dimension to your show animal. Cobboom delivers multiple fiber sources to increase fill and capacity to lower 1/3 of the body. Unique fiber content is natural gut conditioner and aids in maintaining a healthy digestive system. Already a go-to tool by some of industry's best feeders!

CHAMPION'S CHOICE

14.0% Protein, 2.0% Fat, 24.0% Fiber

A high fiber pellet designed to offer producers a versatile feed to be used in a variety of situations. Pellet form and high fiber content make this an ideal starter to be used in creep feeders. Also works great as a supplement to your base diet to provide additional fiber. Formulated with Amaferm®, organic trace minerals and Gladiator Yeast to maintain healthy immune and digestive systems.
